Recyclable

Felton's patented composite recycled plastic is manufactured in Australia from recovered agricultural plastic films and other recycled plastics combined with organic fibre. Felton gives plastics a second life so that waste no longer means landfill. By purchasing the Felton range you are truly recycling.

If there is anything more you need to know about any item in Felton's range of composite recycled plastic products, please call our knowledgeable staff on 1800 83 40 16 or sales@felton.net.au.
