Turning empty spaces into meeting places

FROM INTIMATE SEATS TO FULL GRANDSTANDS

Regardless of the size, location or purpose of your outdoor space, Felton has a product to match. There's our award-winning Caring for Country range – a collaboration with indigenous artist Brett Parker, Billyara – plus our popular Peak Recycled and Classic Timber ranges. Choose anything from simple park settings or sheltered seating to change room seating or the largest covered grandstand.

TAILORED TO SUIT YOUR SPACE

No two spaces are identical. Which is why Felton outdoor furniture is designed to be flexible. Choose your powder-coating colour. Choose from six end cap colours. Choose from four mounting options. Whatever you choose you can be certain it will work for your space and your audience.

HIGH QUALITY. EVEN HIGHER SAFETY.

Felton is proud to have achieved multiple ISO accreditations for quality (ISO 9001), environmental management (ISO 14001) and Health and Safety (ISO 45001). Designed and manufactured in Australia to meet these rigorous standards; you can be sure your furniture is safe and sustainable.

HERE FOR OUR NEXT GENERATION

Aluminium is infinitely recyclable. It doesn't end up in landfill. Importantly, Felton aluminium is responsibly and sustainably sourced locally. Our powder-coating options are solvent-free. We're developing even more green options to help further cut carbon. Plus, we're working with our supply chains to help them be Net Zero by 2050.

EVERYONE CAN JOIN IN

With Felton, no one is left behind. Our wheelchair friendly designs are DDA approved and include customised height, length and seat arrangements.

Plus, our seating can be strategically placed for maximum access and maximum interaction.

A HISTORY BUILT FROM THIS LAND

Felton's passion for Australia is not new. We grew up in rural Australia, sourcing local raw materials, from local mines and providing local jobs. Even now, our headquarters is in Condobolin in New South Wales and we're still 100% family owned and run.

ATTENTION TO DETAIL INCLUDES TO YOU

When you partner with Felton, you'll get professional advice on how to make the most of your outdoor space. You'll have a dedicated Account Manager who will respond to every query within 4-hours. They're backed by customer service and production experts. Best of all, your order is usually delivered within 20-days.

Buddy Bench

The place where new friendships begin!

A Buddy Bench is a special place in the playground where no one has to feel alone. If a child is feeling lonely, sad, or just wants a friend, they can sit on the Buddy Bench. Other children will know it means someone needs company and can come over to say hello. It helps kids make friends, feel included, and look out for each other every day.

The Artist
Brett Parker, Billyara

Brett is from the Wiradjuri tribe of Murrumbidgee River people. He is an award-winning artist with a strong passion for teaching Indigenous art, culture and history and has been working as an artist and educator in schools and organisations for over 35 years. He has worked with Modern Teaching Aids for the past 10 years and the educational resources he designs can be found in almost every school and day care across Australia and New Zealand.

- Includes a Burbang Birrang Outdoor Setting, Barradam-bang Bench Seat with Backrest, and Wirimbirra Wirimbirra Bin Enclosure.

CUSTOM ART LAB

Custom Art Lab is Felton's dedicated customisation service, created to bring your artwork and identity to life across our premium outdoor furniture range.

You supply the artwork whether it's a school emblem or business logo, council branding, cultural artwork, student designs or community-inspired themes and our experienced team refines it into correctly scaled, print-ready artwork. Using advanced sublimation technology, your design is permanently fused directly onto aluminium surfaces, delivering vibrant, fade-resistant results built to withstand Australia's toughest outdoor conditions.

As part of the Custom Art Lab service, you can personalise three key elements within our Ribbon furniture range: bench backrests, bin side panels, and the three-panel tabletop on our Park Setting.

This flexibility allows you to transform practical outdoor furniture into meaningful visual features that express your values, community identity, or brand story.

- Create a consistent aesthetic in your outdoor environment
- Highlight your brand's values, roots or mission
- Create unique experiences for your users

To learn more, contact our team and discuss your project.

Tow and Fold Grandstand

Code FELTANDF

Designed for venues that need flexibility without permanent infrastructure, the Tow & Fold Grandstand is the ideal seating solution for councils, sporting clubs, schools and event organisers hosting large crowds across multiple locations. From game days and school carnivals to community festivals and civic events, it delivers professional, high-capacity spectator seating exactly where it's needed. With rapid deployment, easy transport and a robust Australian-made design, the Tow & Fold allows you to maximise attendance, improve spectator comfort and make better use of your spaces year after year.

Ideal for:

- Councils managing multi-use parks and community events
- Sporting clubs requiring compliant, high-capacity seating
- Schools and universities hosting carnivals and assemblies
- Event organisers needing fast, professional crowd seating

Dimensions:

Folded: 12186mm x 2447mm x 3249mm

Unfolded: 12186mm x 5038mm x 3249mm

Combine portability, rapid deployment, and high-capacity seating, allowing you to host major events without the constraints of permanent infrastructure. With 12m width, 9-tiers, and seating for up to 200 people, the Tow & Fold Grandstand is engineered for maximum impact, safety, and convenience.

Key Advantages:

- One grandstand, multiple locations and uses
- No permanent installation or approvals required
- Quick setup and pack-down to reduce labour time
- Designed for durability, safety and low ongoing maintenance
- Australian made to meet local standards and conditions

HERE'S WHAT CUSTOMERS SAY

"Great service from enquiry to quoting, to sale, to delivery.

Very good company to deal with. It is great that every person I dealt with in the chain were job and company proud. Dealing with staff that are engaged is a great asset for this regional manufacturer."

— Phil Guy, Shoalhaven Heads Bowling Club

"Had a fantastic experience from beginning to end with the team at Felton Industries. The garden seat I purchased was extremely good quality and the service from the team was outstanding. If you are looking for quality Australian Made outdoor products, get in touch with Felton - you won't be disappointed!"
