

Tow & Fold

9 Tier 10 Meter Portable Grandstand

Our innovative mobile grandstand combines portability, rapid deployment, and high-capacity seating, allowing organisations to host major events without the constraints of permanent infrastructure. With 9-tiers, and seating for up to 200 people, it's engineered for maximum impact, safety, and convenience.

Certifications:

- Australian Made and designed product.
- ISO 14001
- ISO 9001
- ISO 45001
- 5 year warranty on parts

Lead Times:

- 4 Months

Features:

- **High Spectator Capacity** - Seats up to 200 people, ideal for sports fields, parks, festivals, and civic events. one unit can serve various purposes across different locations.
- **Comfortable Design** - Extra foot plank per row provides generous legroom for an improved viewing experience.
- **Built for Longevity** - Premium aluminium seating, chosen for its excellent corrosion resistance and minimal ongoing maintenance. The robust steel undercarriage provides added strength and durability, ensuring the entire unit can withstand frequent transport and long-term use.
- **Portable & Towable** - Equipped with a retractable tow bar, the grandstand can be easily transported between locations using a 4.5 tonne compatible towing vehicle, enabling flexible use across multiple venues.
- **Quick to Deploy & Store** - Rapid setup and pack-down; can be moved off-field easily when not in use to maximise available space.
- **Safety in mind** - Designed to meet public safety standards with key features including enclosed seating tiers, safety guardrails, non-slip flooring, and an emergency stop button for the hydraulic system. These measures help protect users and reduce liability for operators or councils.
