Sorrento Advanced

Park Setting

The Sorrento Park Setting is one of Felton's signature designs, modernised with our distinctive Sorrento battens and an increased height for a contemporary, elevated finish. Designed for high-traffic public spaces, it combines considered design with robust construction and lasting performance.

Crafted from durable aluminium, it is built to withstand Australia's harsh outdoor conditions and demanding indoor environments. Available in above ground and free-standing installation options, it offers versatility to suit a range of public spaces.
