Avoca Bin

80L - 120L - 240L

The Avoca Bin is the latest addition to Felton's contemporary Avoca Suite, combining practical functionality with its signature coastal aesthetic. Crafted from robust steel with clean lines and refined detailing, it delivers a durable, low-maintenance solution designed to withstand Australia's toughest conditions. Featuring a dual-access cover for high-traffic areas, the Avoca is also available without a cover for a more minimal look and unrestricted access, ideal for indoor or sheltered spaces. Available in 80L, 120L and 240L capacities, with optional colour-coded openings for general waste, recycling and organics, the Avoca offers a versatile solution for a range of environments.
